

UPAC Agenda  
March 11, 2020  
Marley 230  
8:45-10:00 AM

NOTES

8:45 am to 9:05 am: **Student Data Insights Strategy Team: Pell Grant Student Experiences and Success**

- Lucas Schalewski, Director, Assessment & Research
- Kendra Thompson-Dyck, Senior Analyst, Assessment & Research
  - See PowerPoint for all the detailed stats and data regarding this fascinating research.
  - Goal is to increase enrollment in Pell students. 87% come from AZ (see PP for more stats) in state Pell students are 92% more likely to retain than out of state Pell.
  - Insights and trends reviewed and discussed as well as recommendations

9:05 am to 9:15 am: **New Criminology Minor**

- Dan Martinez
  - Sub-field within sociology that examines the definitions, forms, causes, and societal reactions to norm-violating and criminal behavior
  - Intended to compliment SGPP not compete.
  - Formalizing a minor for a group of coursework already in existence
  - <https://sociology.arizona.edu/requirements-criminology> requirements for the minor
  - How to declare: <https://sociology.arizona.edu/declaring-minor-criminology>
  - See attached half sheet for minor requirements

9:15 am to 9:30 am: **Math Placement Updates CUT and PASTE word doc for notes**

- Tina Schuster Moore & Caitlin Kerrigan
  - See attached for updated Math placement and more detailed notes
  - Coming to a meeting near you! Want to meet at your College Advising meeting.
  - Reminder, email [placement@math.arizona.edu](mailto:placement@math.arizona.edu) for student inquiries etc
  - [cschustr@math.arizona.edu](mailto:cschustr@math.arizona.edu) for you when you see weird stuff
- 2020-2021 Schedule for Success and Math 100 updates
  - S4S: More or less the same! Freshmen will be placed into Math 100 and SAS 100AX. No cohorting by major, but many students will be in the same MATH 100 and SAS 100AX sections.
  - SAS 100AX is required for Fall first semester freshmen enrolled in MATH 100 only. It is no longer required for non-S4S students.
  - 10-Week courses for S4S students: working on set up, enrollment, and reserving seats with instructions from the Registrar.

9:30 am to 9:40 am: **Veterinary Science major- Applied Animal Behavior New Emphasis**

- Jose Rodas, Advisor in Veterinary Science
- See PowerPoint for details on the new Applied Animal Behavior Emphasis details

9:40 am to 9:45 am: **UAccess Student Academic Advising Business Analysts Updates**

- See the attachment for which person works with which colleges
- Pattie Adams
- Heather Jepsen
- Kristin Eaton

9:40 am to 9:50 am: **ARC Updates:** Nominations Requested for UPAC Co-Chairs  
Nominations Open: March 12th  
Nominations Close: March 27<sup>th</sup>
